

Expendable Plug for Production Packers

MODEL "B" EXPENDABLE PLUG

is used for temporarily converting a Model J or Model L Permanent Production Packer into a bridge plug for acidizing, frac and/or testing work above the packer. Upon completion of this work above, the plug may be pushed out the bottom with a production tube.

The information contained herein, is the property of Alpha Oil Tools, and is confidential. It may not be reproduced in any form without the written consent of Alpha Oil Tools. This information is subject to change without notice and does not represent a commitment on the part of Alpha Oil Tools and its representatives. Alpha plugs will not be guaranteed against failure from damage resulting from perforating above a plug which has not had cement dumped on it. This includes any other means of shock that will directly transfer to the plug.
